		This is your authorization to prepare cigarette smoke condensate	
		according to the protocol "Standard Operating Procedure for the	
		Preparation of Smoke Condensate for Mouse Skin Bioassay," for the	
		period April 1, 1988 through December 31, 1988. Condensate will be	
		prepared according to a time schedule provided by Lorillard. The	
		fixed price for condensate collection will be at a rate of	
		\$1,750/10,000 cigarettes smoked. Piedmont will pay the cost of	
		consumable supplies. This work is to be conducted in accordance	
		with the December 10, 1984 formal agreement between Piedmont Reseach	
		Laboratories and Lorillard. All work is to be coordinated with our	
		Mr. Neil Thaggard (919) 373-6628.
